Vicki: We feel like we know you. We dealt with Curtis for about 30 years and he was always talking about you. Started out at Marks in El Dorado trading cars. We are the nurses from Little Rock and always went to El Dorado or Camden to see him when we wanted a new car. He was always so precious to us. He and Betty came by our home many times to see us. We will always remember his smiling face and good humor and good friendship. Even though we did not see each other often since he moved away, we always talked around the holidays. Our love and prayers to you and family.##imported-begin##Lynn Hammack and Rebecca Lay##imported-end##
