J ames Eric Landry

James Eric Landry was born on May 10, 1934 in LeRoy, Louisiana. Eric passed away February 8, 2011 due to an extended illness of Parkinson's disease. Eric was from Abbeville, Louisiana and graduated with a Masters Degree in Chemistry from LSU Baton Rouge, La. Eric married his high school sweetheart Lois Sonnier December 18, 1954 at Saint Johns Cathedral in Lafayette, La. Eric accepted a job as a chemist for Texas Eastman Chemical Company in Longview in 1958 and retired in 1996 as the Supervisor of the Analytical Laboratory. Eric was known for his witty personality and was often referred to as "good time Eric" from his friends and co-workers. During many of his lunch breaks Eric could be found on the plants golf course perfecting his golf swing. He won many awards over the years in golf, archery and church organizations. He was a member of St. Mary's Catholic Church and was a past Grand Knight, past Faithful Navigator and former Diocesan Deputy. He was awarded Knight of the Year and was honored to be a 50 year plus member of the Knights of Columbus. Eric and Lois were also awarded Family of the Year twice by the council and celebrated 50 years of marriage in 2004 with friends and family. Eric was preceded in death by his father Isaac Landry, mother Monique Landry Duhon, son Troy Anthony Landry and his beloved wife Lois Marie Sonnier Landry who recently went to be with our lord October 20, 2010. Hadley, Jr, and his angelic granddaughter Lacie Camille Hadley, his miracle grandbaby born Oct October 23, 2009. Eric and Lois touched many hearts over the years and will be greatly missed. Ecclesiastes: Ch 3 vs. 4: A time to weep, and a time to laugh; a time to mourn, and a time to dance. Mom and Dad may you continue to dance throughout eternity in the presence of our lord. Working for Eric was an education for me and my partner. We both found him "in charge" yet able to have fun with us too. He taught us the JOB and gave us insight to people and what life was about. Of course we did not always know if he was pulling our leg in some of the things he said - yet we picked up some of his habits and were even guilty of quoting some of his remarks. We both realized he had a really sharp mind as he would sometimes use a word in mid sentence that just did not belong there. We came to realize that most of the time that word would belong in the next sentence or two if we would pay attention. Many times to our dismay and later amusement he would line out the way he wanted us to work on a project - and just as we solidified those instructions in our heads and on our note pads- he would come back and say "Or you could do it this way" and we would start over. I will miss not seeing him show up with some joke or odd saying at any moment. Rest in peace Eric.##imported-begin##Don & Robbie Gilbreath##imported-end##

My family and I recently became acquainted with Mr. Landry and Cammie when he came to San Angelo for the last leg of his earthly journey. They are both such special people and we felt honored to get to know them. I became quite attached to Mr. Landry and enjoyed bringing him desserts to feed his sweet tooth. He was always charming and kind and I will miss our visits. God Bless.##imported-begin##Brenda Kellar Norris##imported-end##

Cammie:Our hearts and prayers go out to you with the passing of Eric. I remember when my Dad was still living, he and Eric would get together and talk "Cajun". I would always greet him with "C'est va Landry?" He was a kind and gentle person just as your Mother was. God's peace to you and your family.##imported-begin##Butch & Betsy Lanclos##imported-end##
