Aw Peggy, you will be missed! I grew up down the street from Paula, Peggy & the gang. They kept Delbrook hopping. I just tried to keep up, rarely succeeding. Someone get Paula to tell the story about carrying a goat on a plane in one of Peggy's New suitcases!! I won't go into why Paula had a goat on a plane, you'll just have to ask her. I'm sure there was a reason. This was one of Peggy's new suitcases I believe I mentioned. It was never the same after the goat incident. My mom never mentioned Peggy without there being something funny Peggy had said or done. Peggy made the world a little more bearable for lots of folks...we'll sure miss ya Peggy. ##imported-begin##Doug Peterson##imported-end##

I have many sweet memories of you, Aunt Peggy. You were there when I needed you after Mother was gone to take me to Lamar and Louise's house Baw-Baw and Hey-Hey. You were always so sweet, and made the best chocolate pie in the world! Heaven has welcomed home a sweet one, Hebrews 12:1-2.##imported-begin##Devin LaBay##imported-end##

Aunt Peggy was love personified. Many of you may not know that she was what I considered my surrogate mom and grandmother after their passing. She shared with me her wisdom, wit, and stories and showered me with her love. She made me feel I still had family. When I went to visit mom and my grandmother we always spoke of how Peggy was doing. So many wonderful stories of their lives were told to me about their growing up. When I was diagnosed with an inoperable brain tumor it was my Aunt Peggy who soothed my broken heart with her stories. Her voice alone was a balm to my spirit. She helped me heal in so many ways. Aunt Peggy will always live in my heart and memories. I was so blessed to have her in my life. She loved her children and their families so very much. May your hearts heal rapidly and be filled with wonderful memories of her. She was so proud of each of you.##imported-begin##Deborah Rawlings##imported-end##

Dear Charles, Gary, Paula and families, We were so sorry to hear of your Mom's passing. She holds a special place in my memories as she had such a big heart for everyone. Not to mention she was a fabulous cook! Dad always kept up abreast of how she was doing, especially in the last year with all of the medical issues. You had a wonderful mom and she will be missed. Dear Charles, Gary, Paula and families: I was really saddened when my mom told me of Aunt Peggy's passing two days ago. When I was a kid growing up, I really looked forward to spending time in Longview each summer visiting all of you. Of all my aunts and uncles, she and Aunt Nettie were my two closest and two favorites. I am really glad I got to assist her and mom in the trip to Seattle and Sequim, Washington several years ago, to visit her sister Rose and family there. I know Aunt Peggy had a great time, and she told me how much Jean's and my assistance on the trip was appreciated. I will really miss her and look forward to seeing her in Heaven, and I know she is there with all her brothers and sisters who have passed before...I'm sure there is a lot of catching up to do. With Love, Lonnie and Jean Danchik, and all of our family and extended family.##imported-begin##Lonnie Danchik##imported-end##

Aunt Peggy was a good aunt to me and friend to my mother, with a good heart and practical mind. Once when I was a teen she fed me pancakes, but I only ate 12 at that sitting. She didn't bat an eye, just asked if I wanted another. She will be missed.##imported-begin##Terry & Cindy Teague##imported-end##
