I worked with Mrs. Nicholson at Wal-Mart. She was a very wonderful person, despite the pain that she was in, she was always smiling. Door greeter was her position and I enjoyed everytime walking through that door coming to work or just checking on her to see if she was ok, that smile that she would greet me with. She was a very pleasant lady and I will miss her dearly!!##imported-begin##Tabitha Johnson##imported-end##

We are very sorry for your loss. Your mother was such a precious lady. I loved everytime I went to Wal-Mart she was there and always with a smile. Little did I know she had already known my mother. She and my mother were in the hospital at the same time last year and briefly had a room together this year. Our thoughts and prayers are with you through your time of grief. We pray that God will give you grace and peace through the dark days ahead and there will be happy memories of her for you to cherish. Love in Christ always,##imported-begin##Dana Wright##imported-end##

It was a privilege to provide Physical Therapy for Mrs. Nicholson. She had a very warm and caring smile. I did see her a few months ago at Walmart and she was working. I really admired her tenacity. I will always remember her smile!##imported-begin##Snuffy Hobbs, P.T.##imported-end##

I've known Claudia years ago as we both loved to do ceramics. Loved her smiling face when I walked in at Wal-Mart. For the past year we've been in the hospital about the same time and recently shared a room briefly. My prayers go out to the family & pray for God to comfort them.##imported-begin##Joann Thomas##imported-end##
