I will miss my cousin sorely. She was a true lady, always soft spoken and caring for others. I am sure there is a jubilation in heaven for her. My thoughts and prayers are with her children and siblings. Please note I am still going through the grieving process myself after the loss of my dear mother and let me say it is difficult to let go, but you can rest in peace knowing she was ready and prepared to meet her lord and savior. My deepest sympathy in your loss.##imported-begin##Bill Davenport##imported-end##
