I just read about Gail's untimely passing in the Alpha Phi sorority publication, and I was so saddened by this news. Gail was my pledge mom in College and we lived in the same dorm. She was such a fun-loving, kind and caring person. She had beautiful long black hair and a great laugh. There were so many times when Gail would take time just to listen and talk. Not long ago, I ran across some pictures of Gail and I remember singing with her to the song "Gloria". Everyone loved Gail and I thought the world of her. I'm sure she was a great wife and mother. My thoughts and prayers are with you all. ##imported-begin##Eulanda Anderson Cade##imported-end##

My deepest thoughts and prayers to Ed, Brent and Kate. Gail was a constant reminder to me to make good choices. I always wanted to stand up straight when she entered the room. I could always count on having my spirits raised when she spoke. Weather out of guidance, direction or just plain humor. I'll miss you! God just got another angel and I know she will continue to care for Ed, Brent and Kate with loving care. ##imported-begin##Carrye Moran##imported-end##

I just recently met Gail & Ed, being that my daughter is a really good friend of their daughter, Kate. The girls had just played last weekend and Gail seemed in good spirits as always! I haven't known her long, but both Gail and Ed were very welcoming and friendly. I know that Gail will be watching down on her family, and I'm sure she will forever be loved and greatly missed. Our family's thoughts and prayers go out to Ed, Brent & Kate.##imported-begin##Dawn Goodeman##imported-end##

She was an amazing woman, friend and so much fun to be around. I will cherish my memories of her deeply. Gail was my dear friend and sorority sister in college. She was so much fun and had the sharpest sense of humor! I haven't seen her since her wedding, when she told me, "Now I feel like my life is starting." We kept in touch over the years, and I know she loved married life and especially motherhood. It's so hard to understand how she can be called from this world already, but I take comfort knowing that she had so much love in her life and that she experienced her time to the fullest. My thoughts and prayers are with Ed, Brent, and Kate. I'll continue to think of Gail often, always with a smile.##imported-begin##Carol Gilmore##imported-end##

Gail was a wonderful woman who had a giving heart. I stopped by her house for a quick minute, an hour later, kids exhausted, several glasses of water, juice boxes and snacks for the kids, I would leave with a lot more than I came with. I was lucky enough to be Gail's next door neighbor in Flower Mound for quite a few years before they transferred to CT for Ed's job. She was a beautiful, funny, happy, caring person. She was an incredible mom & wife and a forever friend. My family is shocked and we are heartbroken for Ed, Brent and Kate yet we know that Gail is in heaven and this gives us peace. Words can't possibly convey the feelings in our hearts. Prayers are many and often for her family and friends who grieve deeply during this difficult time.##imported-begin##Denise Nadwodny##imported-end##

I meet Gail October 2, 2005. Why do I remember this...I went to my first MOMS Club meeting right here in my neighborhood. I left believing that MOMS Club was not for me because they did not have a baby playgroup. Gail stopped me outside, asked for my number and asked me to please come to playgroup at her house and give it just one try!She followed up with a phone call that night as well as had another playgroup member Karin Quigley call me as well inviting me to their two year old playgroup. I went ahead and showed up. Too my suprise and relief I was right at home with my almost 9 month old in tow. These women took me in, looked out for Michael and looked out for me as well. While Gail lived here in Flower Mound nothing was left unhostessed!!! She volunteered for everything from Baby Showers, Cookie Decorating to Fall Festivals. Who do you think I learned all this from when I became Activity Coordinator??? GAIL OF COURSE!!! Her honest and straight forward opinion has been missed as well as her sincere care for all mothers.If it had not been for Gail nearly 6 years ago reaching out to me, I would have missed out on 6 years of joy with the women that are now my friends, role models and the ones taking part in the shaping of my children's lives.Thanks to Gail, I have learned lessons in motherhood & being a good wife that I use daily.##imported-begin##Penny Rosen##imported-end##
