Do not stand at my grave and weep,I am not there... I do not sleep.I am the thousand winds that blow...I am the diamond glints on snow...I am the sunlight on ripened grain...I am the gentle autumn rain.When you waken in the morning's hush,I am the swift uplifting rushOf gentle birds in circling flight...I am the soft star that shines at night.Do not stand at my grave and cry—I am not there... I did not die...###imported-begin##John Barnes###imported-end##
