Jim, David & Family I remember how pleased I was when Harold and Jean married. They each added more special people to their lives. I waited on Harold at Poovey's Peach Stand and noticed a spring in his step. Good memories.##imported-begin##Gay Allen##imported-end##

Jean was such a sweet, kind, and loving person who made everyone feel good. She was always interested our family, what we were doing, and how we were. We loved her very much and were so happy when she married Harold and became part of our family. My thoughts and prayers are with her family at this time.##imported-begin##Clarice Robinson Luce##imported-end##
