Renea & Martha, I was very sad when my dad told me of Kevins passing. He was a very good hearted man and dedicated friend to those he cared for. I am proud to have known him for so long. I hope your days ahead are eased with the knowledge that he is now with God and he will not have to deal with negitive termoils life can bring. I have been praying for you both and your entire family in hopes you all can find the peace within yourself. I love you all very much and so very sorry you and your family has had to deal with such a tragedy. and again I love you both. HUGS##imported-begin##Joni Green & Family##imported-end##
