My condolences to Shelly, Connie, Theo and the rest of the family. The good lord knows what he is doing. He has now reunited Jesse and Sheila and I hear the thunder clouds now..lol! But I know that they are both so very happy to see each other. Our day too will come when we are all reunited with them. I know nothing anyone can say can ease your pains but just know that they are in a much better place than we are. May god wrap his loving arms around all of you at this time!##imported-begin##Ashley Smith##imported-end##
