My prayers go out to Marie's family and friends. I am so lucky to have been a close friend to Marie the last 5 years. Through her illness you would never know she was sick. She had such a positive attitude! She never let her illness get in the way of things!She enjoyed watching movies, playing games on the computer and going to the casinos. Marie would laugh at all my jokes and lend an ear when I needed someone to talk to.Marie loved to shop, especially grocery shopping! I loved watching her shop at Whole Foods! I've learned to eat foods I would never try, because of her. She was also a great cook! She made the best marinated asparagus and the best deviled eggs!But most of all, she loved the Lord. The Lord took such good care of her. He took her away to be with Him before she really got ill from her cancer.Marie will be dearly missed by her wonderful family and friends. I am so grateful to have been part of her circle of friends!###imported-begin##Cindy Leinart##imported-end##
