H arold Edward Wilson

Graveside services for Harold Edward Wilson, 62, of Henderson will be held at 10 a.m. Monday, December 12, 2011 at Rosewood Park. Services are under the direction of Rader Funeral Home of Longview. Mr. Wilson passed away Thursday in a Longview hospital. Harold was born on April 23, 1949 in Atmore, Alabama to Ed and Ethel Wilson. He worked for many years as a Mud Logger in the oil field. Harold was a family man and loved fishing. He will be missed by all who knew him. Those left to cherish his memory are his wife, Carol Wilson of Henderson; his children, Ping Wang of Houston, Sue Williams of Henderson, and Sue Hong of Taiwan; his brother Donald Wilson of San Angelo; and 7 great grandchildren.

I only worked side by side with Harold for two weeks as he trained me to be a mud logger, but he left me with an unending gratitude. Thanks to his great knowledge of mud logging, his knowledge of geology, and persistence with my training, he helped me develop a passion for our line of work. Not long after I was called out to another rig to complete my training, the company man for Swift energy called our boss and requested me to break out as a mud logger on his rig. I have to give Harold a world of thanks for passing his knowledge on to me as not only have I benefited from it, but my family has benefited from it also. I am deeply saddened by the news of his passing and would like to express my sympathy to his wife and family. Although I only worked with him a few weeks, he left an impact on me that I will carry for the rest of my life. Harold, thank you for all of your help and patience, you were a great man. Without your teachings, I would not be the mud logger that I am today. I too, am training people to become mud loggers now and I will continue to use your techniques and pass on your stories.
