We had the pleasure of being neighbors of Bob and Retta's for four years. We had no family members that lived closed to us at the time and they helped us welcome our first child. They were very warm and caring people and were always there for us if we needed anything. They are now together with the Lord.##imported-begin##Joseph and Colleen Jordan##imported-end##

During the 5 years I lived on Victoria Drive, Bob and Retta were the best neighbors anyone on that street could have. Right after I moved into the house, Retta brought me some delicious chocolate chip cookies as a welcome-to-the-neighborhood gift. Bob was always someone you could count on to help out if you needed it. He was a wonderful man, devoted to his family and to his community. I am so sorry for your loss.##imported-begin##Debbie Dane##imported-end##

We are very saddened to hear about Bob's passing. We just talked to him a few days ago it seems. He was in Frank's Parkinson exercise class and has been such a dear friend. He has called regularly to check on Frank's well being, visited him in the hospital and the nursing home. We are shocked to learn that he is gone from us but know that he is in a much better place with his Lord and Savior! Our thoughts and prayers are with each of his family and friends.##imported-begin##Frank & Sarah Lewis##imported-end##
