My heart is happy that you went to heaven, peacefully. John 5:24 All things of this earth subsided when you enter God's Kingdom, and now, you finally see what it is all about. May you rest in peace, and be happy in your new life with Jesus, as you are suffering no more. Be at peace, brother~Vicky, Greg & family##imported-begin##Vicky White##imported-end##

We watched you suffer and slowly slip away. Although we loved you so much we could not make you stay So to end your pain, you were called back home. Jackie we tried to help you keep your home at Eden Place and be around all of your friends who tried to help you maintain your dignity during your last few months of life. It was hard to watch you fight your physical ailments; you had so much pride in your fight against all of the pain and suffering you endured. You were not alone; all of the friends at Eden Place were so supportive to you and tried to help Yvon and I in so many ways. We will miss you and the talks we had about your life and family during these last seven years of your life. Your time in the U. S. Navy was so greatly appreciated it is one of the things that will always be remembered, you're Love for your country and fellow man. You are at rest now and we must try and be thankful for the peace that comes when the fight is finally over and your suffering has stopped.##imported-begin##Charles & Yvon Pinson ##imported-end##
