grandma nix changed my life,for the better,she gave me my v alues,morals,andself-respect,she was there for me,when no one else was,when I was young,I slept with her,andshe had what I thought was a pitch fork and pepper under her pillow,I ask her why,she said if anyone would break in,she would throw the pepper,and stab them with the fork. when things were closing in on me,I went to my mawmaws house. she gave me plum baby food until I was grown.I Loved my mawmaw nix more than anyone else.I regret her passing.##imported-begin##Daphney Rea##imported-end##
