Linda, I'm so sorry I had to miss the family visitation tonight for your dad. From reading the obituary and the little I knew of him, he certainly was a great man. Your love for him was so evident in the care that you all gave him. You and your family have my sympathy and prayers.##imported-begin##Cheryl Chandler##imported-end##

Liz, we all have to deal with difficult times in our lives and this is certainly one of them. I do know you had a great relationship with your dad and he loved you and your family dearly! Several years ago, another elder and I visited with him and I still remember what a fine person we agreed that he was. Hang tough and you and your family will get through this and only have good memories! Love ya, G & S##imported-begin##Gary Sanders & Sharon##imported-end##
