To Kristies Family,I first met Kristie 5 years ago when she became my hair dresser when I moved near Longview, but during this time she also became my friend. We always just talked away the time while she did my hair; we talked about our kids and life in general. The past couple of years she blessed me everytime i saw her; her strength and positive attitude was so amazing. I would text her to check on her and always tell her i was praying for her and her family. I will continue to pray for her family - may God give you peace and strength during this time.##imported-begin##Laura Jones##imported-end##
