May God bless you all as you suffer in this great loss. My dad and Dede's dad were friends many years ago. Dede and I worked together and then Dede and Danny and I shared a house together for a while. I have many great memories of them both. There was lots of laughter in that house. Dede was a very caring individual and she LOVED her family. I know you all must have many great memories. Hold on to those memories and share them with your children. My thoughts and prayers are with you all.##imported-begin##Tesa Campbell-Wilson##imported-end##

My dear DeDe, I know that you are at peace. We had grown apart over the years, due to life changes and both taking care of grand kids, but I have never quit loving you and considering you as one of my dear friends. You were one of the kindest people I have ever known and I knew that I could call on you at anytime and you would be there. RIP Iris##imported-begin##Iris##imported-end##
