Memaw had the sweetest soul. She was a beautiful, caring and the most loving great-grandmother. I am so glad I was able to know her for as long as I did. I remember how she loved to bake and all the sweets she had on her bar when we would go visit her. I love you Memaw and I know you are at peace now. ♥CiCi♥##imported-begin##Sierra Sanders##imported-end##

I will always think back and remember the sweetest, most lovable woman I would have the privilege of ever knowing. Holidays were always more sweet due to all the goodies memaw would bake, she loved her cookie jar collection. She was proud of all the family and loved to share stories of each others accomplishments. She had a way of making me feel special everytime I got to spend time with her. Memaw you are greatly loved and will be dearly missed, heaven has recieved a very special angel to help watch over all of us. Thanks for all the memories. Love you!##imported-begin##Tony Sawyer##imported-end##

My memaw... What a great women, all she shared with the world, the children she raised, the grand and great grand children she nurtured. My fondest memory is the teased beauty shop updo beehive style hair being wrapped with the rolls of toilet paper... Lol. The next day the DO was like new!! I love that. Oh, and the smell of coffee in the perkulator pot on the stove an cheese toast before dawn. Love my memaw!! I will miss her! Kisses###imported-begin##Wendy smith ##imported-end##

I will never forget walking into Memaw's house and smelling her baking something yummy... she always had a cake in the oven! She taught me how to color by number to perfection, which is one of my earliest memories. She taught me how to bake a 5 flavor cake my favorite dessert of hers, and how to make buttermilk biscuits. I hope to carry on her tradition of making biscuits, but they will never be as good as hers. I love you, Memaw!###imported-begin##Wendy DeAnna###imported-end##

I will miss my memaw very much she was a great lady. I will always remember when she would call the house and tell mom to send her Tony over to wash out her tea picture and I would always ask if Papaw was home because I would have to pass his chair to get to the kitchen.###imported-begin##Tony Watson###imported-end##
