Kathleen was such a bright star in the dental field! She was so sweet and I was very privileged to work with someone who had such a great work ethic and passion for dentistry. She will greatly be missed...##imported-begin##Shelbi Brewer##imported-end##

Thoughts of Kat will always bring to me joy that we shared in our friendship. Her love for others and pleasant disposition made the hours that we spent together "gently flowing by in peace" so special. We were mothers and friends raising our young sons together. Always busy, whether in her dental profession or at McCann Street Grill, she made time to show you she cared. Having known her since school days at Pine Tree she will be missed when we gather in future years for reunions. God bless her son Brent with extra support as he grows in to the young man she would have been so proud to have known as an adult. I love you all!!##imported-begin##Karen Baker Hailey##imported-end##
