LeNay and family I am so very sorry to hear of your loss. Remember: "To be absent from the body is to be present with the Lord" You did a great job as a mother, friend and angel. I saw him at Sonic and the joy in his heart leaped from his face. He leaned out the window and gave me a hug remembering who I was. I saw your love as given from God in his eyes. Now he is resting in the arms of God. May the Peace of God surround you in your time of sorrow. Call if you need anything. Love always.###imported-begin##Jacqueline Gardner###imported-end##
