Billy, I am so sad about the death of your beautiful and wonderful mother. I have many wonderful memories of her and have always been in awe of how much she has always loved you. You are so blessed to have had the relationship you have with your mother. Some people never get to enjoy that kind of relationship. I have always loved my Mama Marge and I feel blessed to have known her and loved her. Now that I have children of my own I feel that powerful love. I will pray for you and your family. I will always remember Marge for her happy spirit. She had such a beautiful smile and was always so cheerful. She even liked monkeys! And she made THE BEST carrot salad! Most of all, she was so devoted to you, Billy, and so proud of your accomplishments. She was a great Mom and you were the apple of her eye. You were so lucky to have each other and have such a loving relationship. I was so glad I got to see her at Kyle's wedding and she remembered me with that great smile. My deepest condolences and love to you and your family during this sad time. Marci Smith##imported-begin##Marci Smith##imported-end##

Hello to the family. We are thinking of you at this sad time. My mother and dad, Red and Ruby Bishop were friends of Margie's for many years. They had lots of fun adventures together. When we visited with Marge on Saturday we talked to her about some of their fun times. They liked to camp together, and we started a conversation about Lake'O the Pines. We know she was with us because she said, "Yes, that canopy just kept flop, flop, flopping." It gave my mother a lot of comfort to know that Marge knew her. Billy, I'm so happy you were with her. I don't believe I have ever known a mother to brag on a son like her. Take care. Love, Ruby Bishop and Dianne Smith###imported-begin##Ruby Bishop###imported-end##
