I'm so sorry for your loss. My deepest sympathies to the family, especially Ashley Taylor. I did not know Judy personally, but I knew Ashley and Connor when they were in high school. She was a loving, giving, caring grandmother with a big heart. May God comfort you and strengthen you all at this time. Judy was a great friend, and I will miss her dearly. There are no words that can fill the emptiness in our hearts----but perhaps it will help to know others care. Thinking of you at this time and extending my heartfelt understanding and sympathy.##imported-begin##Agnes Few##imported-end##

I always admired Judy for taking her grandchildren in and raising them in her retirement years. I met her when Connor was in elementary school. God bless her for all she went through in her life. There should be a special place for her in heaven.##imported-begin##Sally Combs##imported-end##
