I know I will always miss her. I catch myself wanting talk to her so much now even though she has left her to be with Jesus. Hoping we can all find peace knowing that she has, with the Lord. My heart goes out to the family and friends.##imported-begin##Jerry Storar##imported-end##

I am so thankful that we were able to reconnect the past couple of years. We shared laughter both summers and tears the first summer and even a bee sting or two from this past summer. Great memories shared with friends that we will all cherish. We will miss you Gloria because you added so much fun to our gatherings! Till we meet again....##imported-begin##Jill Ford Goen##imported-end##

Gloria and I shared our high school and college years together as friends as well as our adult life. I'm so glad we shared laughs together at a recent Ladies Luncheon event a few months ago. She always had a glow about her and her eyes always seemed to sparkle...just never knew her wings were in the process of being made. Gloria, I know you're at "home" smiling and feeling no pain...you will be missed more than words can ever say. May God bring peace to your family and may your love help them make it the days ahead without you...Class of '78##imported-begin##Annette Boyd Wallace##imported-end##
