I went to church with Mary and her husband. She was always so kind and nice to me and being a new member, that made a great impression. Your void as a family is great, but her victory will give you peace. God bless you all. Sandra Brown Mulberry Springs Baptist Church

Mary was a true friend to all. She was a person who told "it" like it was, she was developing a talent with her long arm quilting machine that made those who saw her work realize her artistry was beautiful. Too soon she left us and she will be missed. Prayers for her loved ones left behind.

My heart goes out to your family and friends. Mary was a wonderful person and I worked with her in Country Patches Quilt Guild. I loved her dearly and during this time we had many talks about cancer, as I am a survivor. She was very dear to me. "Those who ride on the wings of angels, ride in the arms of God....."

My heartfelt condolences to her family. Mary was the kind of quilter who encouraged us all, and it leaves a hole in my heart knowing she no longer is with us. I learned so much from her, and can still hear her tell me, "You can do it". I thank her for all she taught her fellow quilters so generously, and the legacy she leaves us. May she rest in peace, and still be able to make us smile that she could feather anything so effortlessly. Jackie M.
