I fondly think back to the days when I used to work for Bobby at Longview Warehouse. He really knew how to motivate us in a positive way. In recent years I had the opportunity to go by and visit Bobby and talk about the good old days at the warehouse as well as hunting stories. It was always a pleasure getting the chance to visit with him and seeing that smile of his. I am comforted in knowing that he is in the loving arms of his Savior and Lord. He will be missed but his memory will live on through us all. Sincere condolences to his many loved ones. Robert Hudgens##imported-begin##Robert Hudgens##imported-end##

To the Family I offer my deepest sympathy, and sincere condolence. May the fond memories that you shared bring you comfort. Take comfort in knowing that our heavenly Father will soon remove pain, suffering, sorrow and death forever.
