SEP 5, 1948 - AUG 25, 2013

Terry L. McKinley, 64, entered into the presence of his Lord and Savior Jesus Christ and Heavenly Father on August 25, 2013. A memorial service will be held at 4 p.m. Saturday, August 31, 2013 at Calvary Baptist Church in Longview, Texas.

Terry was born September 5, 1948 in Elmhurst, Illinois. The family moved to Longview, Texas where he was raised with his brother, Ken and sister, Nancy. He graduated from Longview High School in 1967 where he played varsity football and made many life-long friendships.

Terry earned a Bachelor's degree from Baylor University in 1974 while working full-time and starting his family. He built a reputation as an honest businessman who was highly respected by his peers. In 1995, he married his wife, Nancy who is a loving mother to his children.

Terry's love for family was equaled only by his passion for spreading the Gospel of Jesus Christ. This was evident by his selfless support of numerous mission groups and ministries. He served on the board of directors for Scripture Memory Fellowship, Light Ministries, Advancing Native Missions, and Higher Rock Ministries. His legacy will live on through the work of these organizations as they continue to win souls for the Lord in all corners of the world.

Though I don't think we ever met, he was on our daily prayer list. Jo Ann and I are glad we got to meet him at the Retreat last year. Dear Nancy, I can not begin to find the words to express how much your dear husband has meant to me personally. As director of the Construction Teams Ministry for Advancing Native Missions Terry has encouraged me, prayed for me, advised me, helped with projects we were doing in the Philippines but above all he has been a true friend. He will be greatly missed. I shall never forget setting across the table from you and Terry at the Retreat last year and seeing his broad smile and enjoying his great sense of humor enjoying his jokes and seeing wonderful positive attitude.##imported-begin##Mike Twitchell##imported-end##

Dear Sister Nancy, Greetings in Jesus Name our Lord God and Savior, My family were sorry to hear the passing of our beloved friend Brother Terry. We prayed for him and your family. But on the other hand we are happy for him because he feels no pain anymore though for those of us left behind we still feel the pain of loss. Thank God he is with Jesus now. I like to believe that when we lose someone close to us they still live through us and give us strength and the time we have spent with those we've lost make them part of us. He will be greatly missed. My prayer is that, may your sorrow be a bridge not a barrier to the people who love and adore you. Please know that you are in our thoughts. Dear Nancy, You and the family will continue to be in my prayers. Terry's love and obedience to Christ Jesus and His people will echo through the nations for many years. Yesterday we were blessed to have the Ladrangan's with us from the Aetas Bible Study Center, Philippines. His love for the children of Aetas the most dispised people group in the Islands as impacted 100's of these children, many who have come to faith in Christ. Your love and faithfulness in standing with Terry enabled him to be the blessing he was. We all will greatly miss your beloved. He was always joy to have among us. No one I've ever known could make you smile and laugh so easily. Texas will be a sadder place without our brother! Your Brother in Christ, Carl

Dear Sister Nancy, Our dear Brother Terry was a very special and unique vessel of God. He was used of the Lord to impact so many lives with his love, his generosity, his tenacity, his work ethic, his humor, his big heart. Bo and I, together with our children, are very grateful to God for ordaining our paths to cross with his and yours. Brother Terry had left an indelible mark in our lives and in the lives of so many, all for God's glory. We will always remember with profound gratefulness those times when he encouraged us. He was such a great friend--loving, caring, thoughtful. It was always a joy to have him come and visit us at Advancing Native Missions. His exuberant, upbeat spirit was very refreshing. And he maintained that same spirit to the very end. What a testimony for him to declare that his cancer made him love his Jesus even more! Brother Terry finished strong. And he finished well. While our hearts are grieved at his passing, yet we are comforted knowing that he's enjoying himself with no pain and suffering in the presence of the Lord Jesus. I can never approximate your own grief and sadness, dear Sister Nancy, with your beloved gone in this present world. You are and continue to be in my prayers. In Christ's unfailing love, Marlou

Dear Sister Nancy and family, Though you may not know us, but as new ANM staff members, having heard of Terry's immeasurable part in the ANM family, we join the thousands of our members in reaching out to you with our hearts, thoughts and prayers as you go through this time of bereavement. We never had the privilege of meeting your beloved husband, but believe it or not, because he had left an indelible memory in people's hearts as a selfless man after God's own heart, we feel an irrational affinity like we have known Terry for years. How can any child of God NOT love such a man?? If I am not making sense, please forgive me. Perhaps a simpler way of sharing our sentiments is that we are all thankful to our God for lending to us here at ANM and to the whole world for that matter, His humble servant, Terry Lee McKinley, even for just a short 65 years. Without your love and support, he would not have been as impactful. Though others of us will miss his sense of humor, big heart, and hugs, there is no doubt but that your void is much larger. Please know that you are in our prayers and thoughts. My prayer is that the peace and comfort of the Holy Spirit will be with you all in a very real way. May you be blessed by this song. Terry was a bright and shining light in this world! He lit up a room when he walked into it. It was partly his big Texas personality but it was mostly the radiance of his Savior Jesus Christ. Heaven is a little brighter and earth a little dimmer with his passing into eternity. I miss him already; his gentle but sometimes mischievous smile, his humorous wit and big laugh, his generous heart. His legacy lives on through all of us who knew him. He impacted and continues to impact nations for the glory of God. Nancy and family, I pray the Holy Spirit, Comforter, will sustain you during this time when you say "good bye for now" to Terry.
