Vernell is my step-grandmother...I grew up around Vernell when I was little....Almost everytime I was at their home we would play store or the card game old maid...I would play over and over...Vernell and her husband Dick would just keep playing with me...Letting me sit in their laps...Never seemed tired of keeping me entertained...Vernell was a very sweet & strong woman...She will be missed

I will always remember her in our Sunday School Class. When she went on her cruises she would bring us all a gift from where she went. She never forgot us. Very very nice woman. She thought and cared for her daughters so much. I for one will miss her.Arlene M. SmithAgape Sunday School Class
