So very sorry for your loss. Richard was a kind, gentle man, who loved his family so very much. Even when he and I were sweethearts in junior high, he always took care of his mom, brother and sisters. I always knew when he grew up that he would be a good husband and dad. My last memory of Richard was when you and he came to my brother's visitation at the funeral home. Richard had cut Randy's hair for many years, and it was such a thoughtful gesture for you guys to come! I know he and Randy are catching up on old times in heaven. Though Richard has left us all way too soon, what a difference he made on this earth while he was here! My thoughts and prayers are with you. Karen Newman Johnson

When I started working at Talk of the Town , I was only 18 years old. Richard took me under his wing, and protected me like I was his little sister(which back in those days I needed) . Over that 20 year period he became like a brother and I loved him dearly. We were All like family there. Susan , misty , and zach, my heart just breaks. I love y'all Nancy Gilstrap

Growing up in the beauty shop I saw many people come and go, but Richard was always there. I have so many memories of him. I'll never forget when Richard and I got in trouble and mom made us stay on opposite sides of the shop. He even tried to help me build a mouse trap car for my 9th grade science project! The shop will never be the same!
