Dear Beverly and girls, I so enjoyed working with Barry while he was here at Pegues Hurst. He was always so fun to be around with that dry sense of humor of his. He will be missed greatly. May God give you comfort and peace during these next few months as you grieve. I am so glad we have the assurance that we will all once again be reunited in Heaven. What a glorious day that will be. My Love to you all.Carrie Stirling

Barry was a good friend in Junior High and High School..He will be greatly missed! The World famous poet, Robert Frost was asked at his 80th birthday party what he had learned in those 80 years about life itself. He answered, "I can tell you in three words:"IT GOES ON."
