I never will forget Robert Hunter commenting on situations, I felt, at the time, was unbelievable, many of those uncertainties, turned out to be so very true. I knew Robert Hunter many years ago in school. My deepest sympathy to his family during this time. Barbara Sue Gibson-Morgan, PTHS, 1968.

The memory that stands out the most for me is when Robert told me that John F. Kennedy had just been killed. He was such a clown that I didn't believe him at first. Tragically, he was telling the truth that day. So sorry his life has ended at such a young age. May God all who love him.

His songs raised me from birth. For that, I am forever grateful.
