Mr. Gary Denson

JAN 18, 1951 - MAY 9, 2014

Gary Arden Denson, 63, of Tatum, died May 9th at Good Shepherd Medical Center.

He was born January 18, 1951, in Longview to James and Mary Frances (Jackie) Denson. He initially worked for Brookshire's Grocery Company and later settled in Mount Pleasant where he worked for Frito-Lay for over 26 years. In 2010, he relocated to Tatum and worked for Glazer's Distributors.

He loved music and was an accomplished guitarist, singer and songwriter, often performing at local events and jamborees.

He was an avid fan of The Beatles and could, at a moment's notice, stop what he was doing and impart knowledge of most 60's bands with encyclopedic accuracy.

He was preceded in death by his parents and is survived by his wife, Tami, his sons, David Denson of Venus, Gary Denson and wife Tiffany of Jacksonville, NC, Eric Denson of Lubbock, Justin Denson and Jennifer Johnson of Mount Pleasant; his daughters, Tiffany Fowler of Lindale and Carolyn Greene of Deer Park, WA; his sister, Adele Beers of Grand Prairie, his nephew, Glenn Beers of Grand Junction, CO, and his niece, Shannon Reeves and husband James of Arlington.

He is also survived by 9 grandchildren, Allen, Taylor, Kayla, Kaelen, Zachary, Ramey, Caleb, Robert and Lyric, as well as grandnieces Patricia and Katrina, all of whom he loved dearly.

Services will be held at Winterfield United Methodist Church at 2616 Tryon Rd in Longview at 2 pm, Thursday, May 15th.

I just heard the news! I am so sorry to hear about this. I was a bread man in Marshall, Texas and that's how I knew Gary. I would text him some 50' or 60's song that I heard playing at Save A Lot store and he would text me back on the group, title, and bit trivia on the group. I will miss him very much. I have many good memories of my Dad. While I can't share them all, some off the top of my head are him playing guitar and me singing along when I was a small child, us fishing with cane poles in the Sabine river and me accidently losing his cooler in the water...but he didn't get mad, us shooting thd .22 rifle....him, my grandpa (his dad) and me playing miniature golf so many times, as a small child saying "bye" to him as he left for work at Brookshires, the love we shared for music and animals, and just the humor, joking around and laughs we shared together. In fact, the Wed. night before his surgery (5/7/2014) I got his voicemail when i called him and left a message in the voice of "Hank Hill"...not realizing I would never hear from him again. I know my Dad is with Jesus..as he talked to me about Jesus when I was a small child. We will meet again Dad when it's time for me to exit this physical world. Until then, I love you.- David
