To Jennifer and Dusty, We never got the pleasure to meet you both, but Mike talked about you both to us every time we saw him or talked to him on the phone. Mike worked at Auto Zone with my husband, Manny. He was a funny guy who worked hard and loved the two of you! I was in a severe wreck 6 months ago and we went to Mike to see if he could get us in a truck. I was still in real bad shape and walking with a cane and he asked me if there was anything he could do? He was really not happy when he found out that it was a drunk driver that caused my wreck, but he knew exactly what to say to make me laugh and for just that short time made me forget how much pain I was in. We will truly miss him and the jokes the three of us had towards each other! May you find peace knowing that he was loved and that he is with God in the beautiful garden!
