Sweet Aunt Clara. I have so many memories of spending time at your house during the summer and the visits with you at grandma and pa-pa's house. You use to show me all the beautiful flowers you planted around your house and always had candy when you knew I was coming. Then as an adult I will always remember the wonderful conversations we had and the letters and cards we would exchange. I have them all and will treasure them always! You left so much joy in my heart. And now, no more wheelchair and your vision completely restored as you walk and talk with Jesus in heaven. I will always remember your beautiful smile. Until I see you again on the streets of gold. I love you.

The most humble and deserving woman I have met. With a sweet smile and a pleasant demeanor. Mrs. Keasler could tell some stories. It was my honor and privilege to serve her. She will not be forgotten in the halls of Whispering Pines Lodge, she was our prom sweetheart, our green thumb, our bingo queen and our friend. The Lord has truly blessed us with her presence on this earth. May God comfort the brokenhearted. My condolences to the family. LeAndria Starr, Life Enrichment Manager - WPL

Mrs. Clara, I always saw you as my grandma! You were the big 104 before you passed!! I know you were ready to go but I wasn't ready to let you go!! When I was little/growing up I would always be at your house before and after school!! You would also make me something to eat before and after school! Even though I would eat at home, I sure did love your cooking, and "cheese toast"!! My mom would always look out in the front yard and see my backpack laying there and she knew I was heading to your house!! You lived a good and long life!! I remember you telling me stories about Pearl Harbor and Titanic, it's amazing what you went through growing up!! I know you are now in heaven watching over me and my family!! You are my guardian angel now, and I love you to the moon and back!! (Now you can fly high with Sampson)!! I love you grandma!!!
