I remember her bringing me a gift from Colombia when I was a young child in Maine. I hope her family can still get this so many years later. I just found out.

The first time I met your mother, there was such warmth. She told me then to call her Eleanor. I did not feel right calling her that but her personality made you so comfortable you felt like you had known her for years. I can say the same about you. You have similar qualities like you mom. God will comfort you during this time and should you need someone to talk to, call me. Love you

Mrs. Antley: I was a good friend of your mothers at the local senior center and very sorry to hear of her passing. I bought several of her books of "I Knew You When" several years ago but gave them all away. I would like to buy several more for my ungrateful grandchildren and would appreciate it if you would call me if you have some and I will send a check. My name is John H. Hurbrough 903-729-1751 and my address is 370 ACR 415, Palestine, Tx 75803. Again, I am so sorry and wish you well. JHH

Eleanor was such a special and unique person. She was a wonderful friend I first met at work, then enjoyed a close friendship with ever since. She was always busy doing God's work and I am sure her rewards in heaven will be many! I will miss her so much, but I know she is happy and will be pain free now! Rest in peace sweet Eleanor!Polly Peyton

Ms. Eleanor was like a Mother to me, as we worked closely together at the Palestine Meals on Wheels Sr.Center for 3 years. A kind and gentle woman with a strong voice... loved, respected, and admired by all who knew her. She was unique in every way and will be missed terribly, but is suffering no more in the loving arms of Jesus. May you Rest in Peace sweet lady...our dear Ms. E. May the Lord's strength help your family heal in this time of sorrow.
