I'm probably not the only one who remembers going to elementary school with Margaret in Harlingen. My family lived elsewhere when I was in junior high and high school, but I always remembered Margaret Poneleit. Her surname always stuck in my mind. She left quite a legacy with all her accomplishments.

I remember Margaret very well the last time she visited NJ with Charles on his job trip. I was able to spend a little time with her as Charles and my husband went on with their job assignment. I really do appreciate the love and care she showed to my little girl just as teachers do. Margaret may your beautiful spirit rest in perfect peace in the bosom of your creator. God be with you till we meet again. Charles, may the God Lord grant you the strength and the faith to walk on this lonely road that leads to eternity. It is well. Alice Haney Lorton, VA
