Bob was a dear friend of ours for many years. He was our neighbor and friend. Haven't see Bob in years but we will always remember him as a kind, loving person to Marnell. He would do anything for anyone. God bless all the family.

Sarah, you and your family are forever in our thoughts and prayers. Keep your faith and always remember:"I have noticed that during the most trying periods of my life there has only been one set of footprints in the sand. Why, when I needed you most, have you not been there for me?"The Lord replied, "The years when you have seen only one set of footprints, my child, is when I carried you."Jim, JoAnn, Casey, Jenny and families

Sarah, Though I only met Bob once at our class reunion, it was so clear to me that he was a warm and loving person and absolutely adored you Sarah! He eagerly gave a hand and smiled while we shared our school stories and more. I am sure his loss will be felt but hoping that you can remember the wonderful times you shared in those tough moments!

We have known Bob Bussey for over 50 years. He has been like part of our family. We have had many good times together - from the 42 parties on New Year's Eve, to seeing Willie Nelson, George Jones, and Johnny Paycheck all one Sunday. He was always there if you needed him. I can truthfully say I have never met a more giving, caring, generous person. He has taken care of others all his life. Until he could no more. Thank you Sarah, for being there for him. "And he that sat on the throne said "Behold I make all things new" Rev 21:5 Bob is new again now, his body free from pain. God bless all of you, In love Rose and Tommy Anderson
