She accepted me as her granddaughter with no question. She was always filled with love and spoke her mind. I loved reading her cheese toast for breakfast and the giant stockings for Christmas. I loved her so much and will miss her. Love you Mamaw-Amber

Helen was my Aunt and she will always be dear to my heart. She gave me a necklace of hers when I was a child. She said it was because I was the daughter she never had. I still have that necklace and treasure it just as much now as I did then. She will always live in my heart. With unending love, Elizabeth Blakeley-Hoover.

Robert and Hellen, You and your family are in our thoughts and prayers! I know how hard it is to say goodbye to a parent. We are left with are the memories that we will treasure for the rest of our lives. We know that she is in a much better place than we are and you will see her again. We pray that God grants you peace and strength during this very difficult time. If there is anything that we can do for you please let us know! God Bless you both, Tony & Lori Sheppard
