Henrietta Ramirez Warren

MAY 27, 1941 - APR 12, 2015

Mrs. Henrietta Ramirez Warren of Henderson, 73, passed away into grace on April 12, 2015, after a short illness. Her devotion to her family and her firm belief in God supported her in her struggle, and ultimately gave her peace.

Henrietta was born and raised in San Antonio, TX. She was living and working in Alexandria, LA when she met and ultimately married John H. Warren. The two were to remain happily married for the next 39 years, until John's death in 2012.

John and Henrietta moved their young family to East Texas in 1976, soon followed by the birth of their youngest child. After staying home to raise her family, Henrietta felt called to education, first teaching Spanish at The PREP School in Longview, TX. She ultimately returned to school, obtaining her teaching degree from UT Tyler. Even while earning her degree, working and raising her family, Henrietta was heavily involved with her children and their school life – volunteering as Treasurer of the Parents' Council for eleven years and even doing a short stint as Treasurer for the Board of Trustees at Trinity School of Texas where both children attended. Upon completion of her degree, she began working for Carthage ISD, where she would teach Spanish at both the high school and junior high for the next twenty years, becoming known to all as "Señora Warren."

After retirement, Henrietta remained active, continuing to substitute for both Carthage and Kilgore ISD's until the onset of her final illness. She was an active member of Lakeview Baptist Church, where she had been a member for over 30 years. Henrietta loved her grandchildren, who called her "Lela," and spent many happy hours with all of them, frequently traveling to Houston to see the youngest.

Henrietta is survived by her children: Juanita Warren Salmon and Steve Salmon of Cypress, TX, and John H. "Trés" Warren and Lara Warren of Kilgore, Tx and their children (Mikaela Grounds, Sam Warren, Donia Warren and Gracie Salmon).

Learning a new language was so much fun thanks to her and I'll never forget her during the pep rallies! She was as loud if not louder than us cheerleaders! One time she caught me drawing comics in her classroom. I thought I was in big trouble when she called me to her desk but as it turns out she wanted to talk to me about doing comic strips for the school newspaper. She was always very kind and supportive.

I still remember the firm handshake on the first day of Señora Warren's class. She made learning another language, like learning to tie a shoe. She was simply that good. Heaven has gained a beautiful angel.

I loved Señora Warren and her charisma to teach. To this day I still find myself singing her songs in Spanish to make sure I am communicating correctly at work. (I even find myself wanting to stand on a desk for fun too!) She inspired me in many ways and I will miss her dearly, but I know she re-lit a fire of education and cultural awareness in so so many students over the years. Farewell Señora Warren.

God has gained an Angel! Mrs. Warren was the best Spanish teacher ever! The only reason I know Spanish is because of her, of all the classes I've taken. The memories left behind will be the smile that will help get through this sad time. May her soul Rest In Paradise!
