My love, I cannot believe how much I miss you. But I know you are with me always whether it is in the breeze that cools my skin, or a bird that perches nearby, or a butterfly that glides around my head. I miss your smiles, your laughs, your sweet kisses, and all our plans together. When I see you again, you will have to show me all the projects you've done in heaven. Go hang out with Casen, John, and Nanny and tell them all about us. Baby I love you, Me
