Our thoughts and prayers are with you. It was always a joy to see Uncle Sonny's lovely smile and white "cotton top". I will miss the tale he would always tell about the wasp "sitting down" on my lip. I know you're at peace and right where you've always wanted to be. Enjoy you dessert's!!!! Love you.

Our prayers are with the McDaniel family and friends as they come together and share the memories of Uncle Son's life and how he has touched our lives. He was well loved by all his nieces and nephews of the "McDaniel" clan in Nacogdoches. The mild mannered man who I called "Uncle Son", introduced me to the great outdoors in my teenage years. They invited me to travel and discover, with them, this beautiful country we live in. On that journey, I came to adore Uncle Son; and when I saw him last, we talked about some of the events of that trip and laughed at our stories! It was always heartwarming to be in his presence. He was a great man, and I loved him dearly. He was the last of his generation, I know he will be sorely missed here on this planet and Uncle Son is now with his Lord and Savior, Jesus Christ!

Memories only last if you share them
