Jeanne, My heart goes out to you and your family. Though I never met your beautiful daughter, Krista, I know she is laughing and singing in Heaven, with my son Rocky, and my granddaughter, Mollie. I am so sorry for your loss. This isn't the how it should be, I know. You are in my thoughts and prayers. Judi Humphrey-Reigel

Fond memory: Krista and Patrick camping in the living room and she dresses Patrick up like Larry on Bob Newhart and makes two sock monkey dolls into Darrell and Darell. Then they put on a Newhart Show with Krista directing Patrick to say Hello, I am Larry and this my other Brother Darryl and this my other brother Darry!! You just had to be there to really appreciate it.<https://www.youtube.com/watch?v=NnZm-9TfSaA> Favorite Song for her Grandfather Joe to sing to her at lake: Elvira

Krista was one of my first friends in Pine Tree. She continued to be my friend years after. She was with me for some of my most scary and hard times in life. We had grown apart in recent years but she was always one of my closest and dearest friends. I loved her like a sister and Annika was her pride and joy from the moment she could out she was going to be a mommy. I remember that day lol. I will always love her and miss her.

Krista was the most resilient young woman that I have ever known. She fought hard physical battles that most of us could never imagine and stayed positive throughout her life. She now gets her due rewards for the trial and tribulations of life here on earth. Krista, you have touched the lives of many and made them better as a result. RIP Krista!
