I will always cherish my many memories with you. The best days of my life. We always joked about you blowing into my life because the wind was blowing like crazy when I fist met you... Then today as I said, goodbye it was blowing hard with a little touch of snow to top it off. I know you were there. I will always love you. I know one day I will hear your contagious laugh again, and see your beautiful smile! To all the family, you will be in my prayers.
