Myra Jo Marion Folmar

MAY 4, 1936 - FEB 13, 2016

On this glorious day, February 13, 2016, Jesus stretched His hand to gently escort Myra Jo Marion Folmar through the gates of heaven. There to meet her with loving hugs and kisses was her husband of nearly 55 years, James Milton Folmar. Also there to greet her were her parents, Walter Pate Marion and Mattie Catherine (Marion) Hadaway, step-father, Hugh Hadaway and many other family members and friends.

Myra was born in Alabama but quickly crossed the state line to Georgia for most of her adolescence and lived in several southern states after marrying James. They were blessed with one daughter, Lynda Jeanne Folmar who later married Kris Cole of Henderson, TX, and one grandson, Chadwick Connor Cole of London, England. In 1972 the Folmar family moved to Henderson, TX.

Except for a few years as co-owner and operator of Cole Flower Mart, most of her career was spent in a secretarial capacity. Among her favorites were working for Robert Hall and Bill Preston. At first Baptist Church she was able to combine her office skills and her love of music while singing in the choir and worshipping in her church home which made for a very pleasant work experience.

Her last 22 years in the workplace were spent with Preston Insurance Agency where her

co-workers were a second family. She made many lasting friendships with the customers she helped in the office and on the phone. Left to cherish the contagiously spirited memories that only Myra could leave behind are her sister and brother-in-law, Sue & Phil Young, brother and sister-in-law Phillip & Beverly Marion, brother & sister-in-law, Fred & Marilyn Marion and sister Barbara Hadaway Turner & the late Wayne Turner, along with numerous cousins, nieces, nephews and a host of friends.

The family would like to thank the staff of Autumn Leaves Nursing Home for their

I had the honor of providing care to Myra Jo as well as James at Autumn Leaves. They were both special people and hold a place in my heart. The way Myra Jo would always have a smile on her face and laugh would always brighten my day. I know she is much happier now in heaven and reunited with James. James always made sure his "bride" came first and was taken care of, even in his final moments here with us on earth he was instructing me on how to take care of her. I know they are both in a better place and reunited with each other and for that reason I smile and think how blessed and honored I was to have known them.

I always enjoyed working with Mrs. Folmar (and James) at Cole Flower Mart many years ago because she was always fun to be around and I don't think she ever met a stranger anywhere! Wishing you all peace during this sad time in life because I know she'll be missed by many.

Such a lovely lady. I worked next door to her and can still smell those delicious rolls that she would share with us. She was a lady of many talents that will be missed.

Mrs. Folmar was such a sweetheart! She had the sweetest things to say. Being in her presence was always encouraging.....but MOST of all she loved her family. I have such fond memories of our year together as Chad's kindergarten teacher.Sending love, Mrs. Deana
