My sweet precious Granny. It was so hard to let you go. Not a day has gone by that I don't miss or think about you. Thank you for teaching me so many life lessons just by your example. I hope that I can continue to crochet like you taught me. I want to pass that on to Rebecca. I am the person I am today because of you and papaw. Your memory lives on and you are always in my heart. This is not good-bye but see you later. You are forever my hero. ❤️

Mom I will forever cherish each and every second I got to spend with you. You have given me more than words can explain. I love you with all my heart and I'm very very proud to have been your son. I hope I can be half the parent to my kids that you have been to me. I will never forget the life lessons you have taught me and thank you for always being there for me through the good times and the bad. The world has lost a wonderful human being but your love and passion for life lives on in the hearts of all that loved you so much. I love you Mom!!
