Anne and I were sad to hear from my sister Mrs. David(Pat) Ross in Kilgore, TX this afternoon that Loretta passed away. John and Loretta were among the first friends I made when Alcoa transferred me from Massena,NY in 1968 to help start up the new Aluminum Cable Mill near Marshall.I met them at my first meeting of the Ark-La-Tx section of the Missouri School of Mines and Metallurgy(now Mo. U. of Science & Technology). I started taking Anne to the meetings where she met John & Loretta before I received a promotion from boyfriend to husband. The friendship of Loretta and John enhanced our lives and that of many others.MSM, Lonestar Steel,the community of Longview and the United States of America have all benefited from having the Moscari family live among us.Walt Mulyca6 Sherwood Dr.Massena, NY 13662315-764-8926

I just want to send my condolences to the family. I know it is a little late, however, we were actually in Illinois trying to take care of my mom's estate (Dorothy Abert) when Aunt Shirley called to say Aunt Loretta had passed away. Cousins, we have lost touch thru the years, but I know exactly what you are going thru at this time, and am so sorry for your loss. You are all in our prayers.Love, Linda Abert Mauritzen

With great delight and pleasure, I was able to meet and get to know Mrs. Moscari when it was time to sell the family home on Coleman. Mrs. Moscari was a joy to work for. She had a great sense of humor and kept me on my toes with her sharp mind and wit! I am so thankful to have met the most devoted daughters I've ever seen and I am praying for you and your family during this very sad and difficult time. Your mom was a blessing to me and I am better for knowing her even though for a short time. May God's Comfort and Peace hold you close. Blessings, Dona Willett
