I am just now finding out about his passing. He was one of my most memorable patients, and insistent on me calling him Barefoot. I would call or stop by occasionally to check on him, and he always was appreciative. Although he was a jokester, he was just as much of a sincere individual. Continue to make everyone smile in Heaven Barefoot. Thank you for being you!!!

Most of my favorite memories involved him doing something goofy. It seemed he was always setting himself on fire or getting electrocuted. My favorite was him trying to fix the bath tub! and I loved our spur of the moment trips to Shreveport to get hot Southern Maid donuts. Thinking of him always brings a smile to my face. He will be greatly missed. Love ya Big guy!

Daddy was always making some kind of joke or doing something goofy. There was no way to be sad or mad around him. I miss him dearly. I love you daddy

Danny will be missed here at DaVita Dialysis Center. He always had a joke or something funny to say. No longer have to worry about this place any more and coming to dialysis.
