I met Jean at Baylor Hospital in 1990. We worked there together for 5 years. We became best friends!! She called me her "buddy." She was a sweet and rare soul and I felt privileged to be called her best friend! What a lady, what a friend. I will love her and miss her forever and ever! I can't wait to see her in heaven! I have so so much to tell her! ❤️

I met Jean when I was 14 years old. We both were working at Dr Ralph Thorntons dental office. We both went to dental hygiene school one year apart. We have remained good friends all these years. She loved her family , friends and faith always. I will miss her forever.

Marilyn Macaulay lit a candle in honor of Jean.

Jean was a dear friend. While we were in dental hygiene school in 1964. She always was there for me. She reminded me that there was "a better way". I spent many weekends with her and dear Jerry during those school years. Jerry would say "let's go out and hide some food and dance around the area"! They were always so kind to that girl from the small town in Oklahoma. They drove from Austin to OKC for my wedding in 1969 to Andy Macaulay. We still treasure the lovely silver tray they gave us for our wedding. Years fly by and we didn't get together that much but Jean always held a special place in my heart and always will. She was such a lovely lady. I will miss her. God bless her.
