I'm so glad to have met this lady back in November. It felt as if I had known her forever, through her daughter Kathy. I remember her having the weather channel on TV the whole time, food cooking in the kitchen for her loved ones, her complaining about Kathy's cats, (which was quite comical!) and she seemed proud to be a very strong woman. All my love to her children and family during this horribly sad time. Susie Sauer

As a graduate from LHS, 1960, I remember Charlotte as a sweet, big hearted girl. I enjoyed many good times riding with her and her mother to out of town football games in junior high. I sure she will be missed by many family members and friends. She certainly added to the wonderful memories I have from high school and junior high school.

Charlotte and I were close friends in junior high. I lost touch with her after she married and moved away but my husband and I lived in the duplex built by your grandparents and I kept up with Charlotte through them. I'm so sorry for your loss.
