Cheryl is so special to me for many reasons. Mostly because of the fact she was my Mother's..Billie Briley ..friend. Although that distinction is a far cry from the actual position in the heart that she occupied in my Mom. Cheryl's dry wit and ability to find laughter in the most unexpected places turned her into a bright beacon she used to help others find their way . She could joke and cajole anyone out of the darkest of sadness and illuminate a path to help others endure till they climbed back out into the light.To say she will be missed is a given. The world seems a little dimmer without her, a little less funny. Out of respect to this woman and to honor her memory...we should all use her as an example and be like her in helping those we see who struggle in darkness by putting in the effort to make them laugh or smile. We too can be a beacon to light the night like our beloved friend Cheryl.

Although I never had the opportunity to meet Cheryl in person, I know from each time Mike visited or from each of their phone calls that she was a loving and powerful person. Also she didn't take no guff from anyone because I would joke with her on the phone. She was always a hoot to talk to and will be sorely missed by everyone who came in her path and those who have yet to. Her spirit will always be with us. My deepest and sincere condolences to Grandpa Shorty and her family/friends. Another beautiful soul taken way too early. Love the ones you have because tomorrow may not come.

I loved sitting with Cheryl, Shorty, The other "Holman's", Gregg's during all the soccer games. Sometimes we had to tell them to SHHHHH. Cheryl would tell us to SHHHHH and we would all laugh. The 3H club was Holman, Holman, Holt. Best defense ever and they were true brothers. We were all family and supported each other. Cheryl will be missed very much. Love and prayers to all the family.

Cheryl was my roommate at SFA in '65. What a wonderful experience for us! Life took us in different directions and our visits were few but we enjoyed our memories from LHS, college, old flames, etc. Now too many years have passed since our last visit and she has moved on ahead of me. God speed my sweet friend and rest in peace. My love to all her family...
